

Application for Orientation Power Point *Apprenticeship 101*

Welcome

Welcome to ABC Massachusetts' Merit Apprenticeship Program (MAP) power point presentation, *Apprenticeship 101*. All who seek apprenticeship through MAP must view this power point.

The purpose of *Apprenticeship 101* is to provide some background, history, rights and responsibilities and a general overall understanding and purpose of the registered apprentice training program.

By virtue of this application you are registering for the required power point presentation:
Apprenticeship 101

Please fill out the requested information below, e-mail to john@abcma.org or mail to address below. You will receive a confirmation and you will be given the next available presentation time. Call 781-273-0123 and ask for MAP if you have questions.
